

Leicestershire and Rutland County Golf - County Academy Program.

The face of Golf in Leicestershire is set to change for young golfers this year, as the Leicestershire and Rutland Golf Partnership unveils its County Academy Program.

The academy will offer children of all abilities the chance to get high quality coaching and personal development in Golf.

The County Academy will be a first for golf in Leicestershire and Rutland. Young people aged 9-15 will have the opportunity to access the academy through talent days that will be held on September 11th and 12th 2010 (Humberstone Heights GC 11th, Forest Hill GC 12th).

The talent days will be completely free to attend and will be open to **every 9-15 year old in Leicestershire and Rutland**. The talent days will be a chance to try and get your place in the county academy squads and a team of coaches will be present on the day assessing those involved in a range of key skills.

While golfers who already play will be welcome, the coaches will not just be looking for talented golfers, but rather potentially talented young people who show key athletic skills such as balance, and hand to eye co-ordination that have the potential to become good golfers.

Those involved will receive coaching from some of the best coaches in the county as well as gain access to specially designed competitive golf to test their skills under competition pressure.

This page will contain everything you need to know and will be regularly updated so keep checking back to find out how the program is shaping up.
