

A Message From The Team

Hello and welcome to the September issue of Leicestershire Golfer Magazine. August saw the launch of the magazine and we are pleased to say that the magazine was well received at all the courses we visited. We hoped that you enjoyed picking up a copy and having a read and we hope that you enjoy this months copy too. Again our thanks go out to all those who have helped and supported us so far with a special mention to those dedicated men and women who support the game of golf at all levels and take the time to write and prepare articles for this magazine. We are once again getting to that time of year when the greens and fairways start to get softer and softer and the nights start to slowly draw in, yes we are on the verge of winter golf. It does not seem five minutes ago that we were running shots into greens on the hard bake fairways playing almost links golf in many cases, now the drives are looking shorter off the tee and the greens are holding full approach shots much more easily. So what does winter golf bring well apart from the cold hands and the sight of brollies going up and players reaching in their bags for the water proofs to pull on, we still have plenty of golf to go at. I was asked recently will the magazine still be running in the winter months? The answer is of course yes, we will still have plenty golf to report on and we will endeavour to get more and more reports from the local courses for you to read. On that note I would again like to invite all golf clubs out there to submit to us there monthly results and there forth coming fixtures. I would also like to take the opportunity to invite you the reader to submit any interesting golfing stories you may have, it might be news of an hole in one or a near miss, you might have a funny story from the course you would like to share, it really does not matter what it is as long as it is related to the game of golf in some way. On that note I would like to set the ball rolling and tell you about my colleague Jon who when playing in a C team match recently for Kirby Muxloe at Lutterworth nearly had the pleasure of a hole in one at the par 3 fourth. I can tell you that the hole was playing around 170 yards and the club used was a six iron. The ball was struck sweetly "right out the middle" and sailed gloriously through the air, it pitched just short of the pin bounced up and then hit the pin and agonisingly lipped out and eventually finished around 4 to 5 feet away. I can tell you this with confidence because I myself have heard this story now a few times and I am sure I will be told it again! If you do want to get in touch just send us an email at this address: leicestershiregolfer@yahoo.co.uk enjoy your golf and lets hope for a few more months of sunshine.

Invitation to all Golf Clubs.

Leicestershire golfer magazine would like to invite all golf clubs in Leicestershire & Rutland to submit there competition results and fixtures to us. We would like the opportunity to print your fixtures for the month ahead and also print your results for the month just gone.

For our October Issue we would like to receive your November fixtures and your September Results. If this is something you would like to do then please email us before September 13th on: leicestershiregolfer@yahoo.co.uk
