

Competition

THE NEC GOLF SHOW

From November 26-28 Birmingham's National Exhibition Centre will once more showcase everything golf when the NEC Golf Show opens its doors – and we have 10 pairs of tickets to give away.

Golf nuts can test the very latest equipment from major equipment manufacturers, with more lined up to attend than ever before, as well as taking advantage of professional custom-fitting services and specially discounted show prices.

Golf accessories, gadgets, gizmos, fashion and destinations will also be on offer, along with free coaching. Fantastic prizes will be available on a host of big competitions with the show promising more simulators, more interactivity, more games and more fun.

The NEC Golf Show is the perfect day out for everyone from single-figure handicappers to those just starting out in the game. Tickets cost just £10 but great deals for those buying in advance mean visitors can see the entire golfing spectrum for as little as £6.

For more information or to buy tickets call 0844 338 0338 or visit www.golfshownec.com where you can also find out all the latest golf show news.

To stand the chance of winning one of 10 pairs of tickets we have to give away, simply answer the following question.

In which city is the NEC?

Send your answer by email to: competitionlgm@yahoo.co.uk

Please provide us with your full name and address and telephone number, competition closes on Friday 12th of November at midnight.
